

Team GEKO

Mathilde Van Cuyck

About me :

- 2018 : Undergraduate degree at Lyon
- 2020 : Master degree at Lyon, CRAL
- Since october : Ph.D on CONCERTO with Guilaine Lagache & Alexandre Beelen

My thesis :

Measuring the power spectrum of [CII] emitting-galaxies in post reionization and reionization epoch with CONCERTO

Goals :

- Using simulations of CONCERTO's maps

- To develop a method for the components separation
